

## Legacy Minute Weekly Message

### **Pillar 2: Persona**

#### **Just a Thought:**

Being a person of integrity means that we are who we are all the time. There are many facets to our personalities, but we must learn to naturally allow our character (Godly qualities) to be the most dominant and visible facets of our personalities.

#### **Scripture:**

“But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law.” Galatians 5:22-23

#### **Discussion Questions:**

1. What Spirit-fruit would do you desire for the Holy Spirit to develop in your life?
2. Do we have any control over when a specific fruit of the Spirit is developed in our life?
3. Godly character takes time to develop. Talk about how the Holy Spirit has developed one fruit of the Spirit in your life.
4. Galatians 6:3 says that we are deceived when we think we are something that we are not. Have you ever walked in this type of self-deception?
5. If so, what caused you to see that you were walking in self-deception? How did you get free?
6. Galatians 6:7-9 tell us that we will reap what we sow, and if we so to spiritual things we will reap spiritual rewards in due season. Describe how this process has worked in your life.

#### **Legacy Lifter:**

It is impossible for us to develop ourselves into the person who God wants us to be without the interaction of the Holy Spirit. A Legacy Minded Man must be a Spirit-led man.
