### **Pillar 2: Persona**

#### **Just a Thought:**

We sometimes define ourselves by what our parents and friends called us. However, these names and labels are insufficient when it comes to evaluating our self-worth and value. We must learn to allow God to name us, define who we are and place value upon our lives.

#### **Scripture:**

"...it's important that you not misinterpret yourselves .... The only accurate way to understand ourselves is by what God is and by what he does for us, not by what we are and what we do for him." Romans 12:3

#### **Discussion Questions:**

1. What names have people called you that didn't match the person who God called you to be?
2. Isaac and Rebecca named gave Jacob his name because it meant "heel grabber." Do you think that they understood that it also meant "deceiver"?
3. Do you understand what your name means?
4. What name has God called/given you?
5. How can you use this name to bolster your esteem, making it easier to do what God has called you to do?
6. What does it mean to "think more highly of yourself than you ought"?

#### **Legacy Lifter:**

We are the bride of Christ. When we gave Jesus our lives, we "married" Him and took on His name. We are now seated in heavenly places with Him because we are one with Him.
