### **Pillar 3: Purity**

#### **Just a thought:**

God's desires is to raise us up to His level by giving us His standard for our life.

#### **Scripture:**

2 Corinthians 5:17 Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!

#### **Discussion Questions:**

1. Purity is Gods 'moving in' system; He moves His furniture in and He moves your things out. What items is God changing on the inside of you?
2. You no doubt have experienced purity changes within you; how has your family, marriage and kids reacted to it?
3. Sometimes we can wrestling with our desires vs. Gods desires within us. What struggles have you had?

#### **Legacy Lifter:**

God's desire is to continue to make you, mold you and disciple you to more like Jesus. The more we yield to the Holy Spirit, the greater the changes.
