Pillar 7: Power

Just a Thought: The Kingdom of God are words that describe how God rules and works in His authority and power. When we choose to follow Christ, we choose to live in His Kingdom. This opens our lives up to God's power working in our lives and through our lives.

Scripture: For the kingdom of God is not a matter of talk but of power. - 1 Corinthians 4:20

Discussion:

1. On a scale from 1 to 10, how much are you working in your own strength? How much in God's strength?
2. What are some areas of your life that you have tried to change but need God's strength and power to really change?
3. How much time do you spend DAILY, reading God's Word and praying?
4. Who are some spiritually powerful people that you spend time with?
5. When was the last time that you found a scripture that addressed a life issue that you memorized or stood on until God changed the situation?
6. What adjustments can make in your life to walk in God's power in greater ways!

Legacy Lifter: The reason many men don't like going to church is because it is often a passive exercise of just sitting and listening. Men don't want to sit; they want to do and to do with power. If you have settled for religious activity, you can go deeper and build your faith and walk in God's power in greater ways. Identify an issue in your life and don't settle for the status quo, but have faith and work to win that battle or overcome that obstacle.
